

11th DAE – BRNS Biennial Symposium on Emerging Trends in Separation Science and Technology SESTEC – 2024

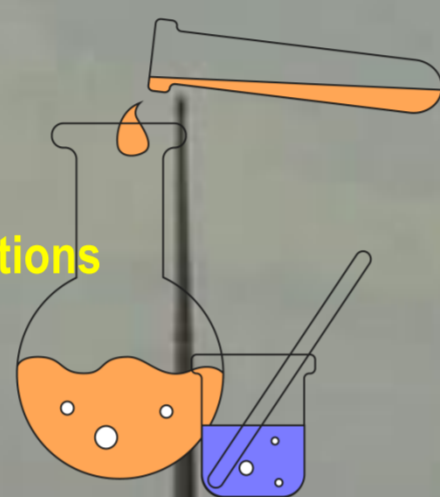

HSNC University (A State Public University), Mumbai, India

July 10-13, 2024

The Board of Research in Nuclear Sciences (BRNS) sponsored eleventh biennial symposium “Emerging Trends in Separation Science and Technology (SESTEC-2024)” will be organized by Bhabha Atomic Research Centre (BARC) jointly with the Association of Separation Scientists and Technologists (ASSET) during July 10-13, 2024 at HSNC University, Mumbai, India. As mandate, SESTEC-2024 is to provide a forum to scientists and engineers to discuss the recent advances in the area of separation science and technology falling under the following scope.

- Synthesis of Solvents, Resins and Membranes
- Separations in Nuclear Fuel Cycle
- Green Separations
- Chromatography, Electrochemical and Pyrochemical Separations
- Waste Water Remediation
- Membrane Science and Technology
- Radiochemical Separations
- Speciation Studies
- Computational Studies in Separation Processes

- Abstract submission should be done through link available in ASSET website (<https://www.asset.org.in/sestec2024>). Contributed papers will be presented in Oral and Poster sessions.
- Selected number of contribution will be recommended for publication in the *SESTEC special issue* of the peer reviewed international journal “*Separation Science and Technology*”.
- There will be one special session on “*Wealth from Waste: Recycling Perspectives*” during the symposium.

DEADLINES

Submission of Contributory Paper : March 1, 2024 Request for accommodation : May 1, 2024
Intimation of Acceptance of Paper : April 15, 2024 Submission of Registration Fees : May 1, 2024
