

The 12th DAE – BRNS Biennial Symposium on Emerging Trends in Separation Science and Technology SESTEC – 2026

FEBRUARY 11-14, 2026

DAE Convention Centre, Anupuram, IGCAR, Kalpakkam, India

The **Board of Research in Nuclear Sciences (BRNS)** sponsored Twelfth Biennial Symposium on “**Emerging Trends in Separation Science and Technology (SESTEC-2026)**” will be organized by Bhabha Atomic Research Centre (BARC) in association with the **Association of Separation Scientists and Technologists (ASSET)** during **February 11-14, 2026** at **DAE Convention Centre, Anupuram, IGCAR, Kalpakkam, India**. The objective of **SESTEC-2026** is to provide a forum to scientists and engineers to discuss the recent advances in the area of separation science and technology falling under the following scope.

DEADLINES

Abstract Submission	:	November 14, 2025
Intimation of Abstract Acceptance	:	December 26, 2025
Request for Accommodation	:	December 31, 2025

The length of the abstract should be limited to one page (Template available on: <https://www.asset.org.in/sestec2026>) including figures, tables and references. **Abstract submission should be done through online portal (<https://www.asset.org.in/sestec2026>)**. Abstracts will be peer reviewed prior to inclusion in the symposium proceedings. The scientific programme of the symposium will include Invited talks by eminent Indian and overseas scientists / engineers. Contributed papers will be presented in Oral and Poster sessions.

Scope

- A. Separations in nuclear fuel cycle**
- B. Green separations**
- C. Membrane science and technology**
- D. Treatment of industrial effluents**
- E. Chromatography, Electrochemical and pyrochemical separations**
- F. Computational chemistry in separation science**
- G. Radiochemical separations**
- H. Speciation studies**
